SATURDAY EVENING, APRIL 16

COMMON-SENSE VIEW OF IT .-- The papers come to us full of flippant remarks upon the great domestic silliction that has befallen a distinguished family in Hartford, and with snearing comments upon American "aristocracy" and samily pride, and with the assertion that an honest lad is a fit mate for any girl. We do not sympathize with this spirit, Our sympathies are with the parents who have watched over the infancy and tended the growth of their child, who have passed sleepless nights in her sickness, who have guarded with tender care her young life, and who have looked to her honorable sottless this a heavy home of her own when translife, and who have looked to her honorable set-tlement in a happy home of her own when trans-planted from that in which she was born and reared; who have found their highest joy in her happiness and have made every sacrifice for her gool and for her pleasure. To see her rudely torn from their arms by a man her inferior in everything that makes up the contentment of married life is to us not a matter of idle jeering, but of deep regret. When a woman of mature years or a girl arrived at full age of discretion years or a girl arrived at full age of discretion deliberately makes up her mind to marry a man beneath her in cultivation and breeding, she weighs the consequences and takes the responsibility. She in a part of the beneath her own mind bility. She is supposed to know her own mind and her own heart, and such a union may prove a bappy one.—Providence Journal.

EWELL AND JACKSON.-Dick Ewell had a a nose like Frances of Valois, and bright, prom nent ever; a bomb shaped bald head gave him a striking resemblance to a wood ecck; and this was increased by a bird like ha bit of putting his head on one side to utter his quaint speeches. He always speke of Jackson, several years his junior, as "old," and told me in confidence that he admired his guoius but was certain of his lunacy, and never saw one of his couriers approach without expecting an or der to assault the North pole.

This is Jackson: "A pair of cavalry boots covering feet of gigantie size, a mangy cap with visor drawn low, a heavy dalk beard and weary eyes—eyes I often saw filled with intense but never briliant light. * It silence be golden, he was a bonat z. He sucked lemon, ate hard tack, drack water, and praying and fighting appeared to be his idea of the whole duty of man .- Gen. Dick Taylor.

MEDICINAL.

LIVER

This important organ weighs but about three pounds, and all the blood in a living person (about three gallons) passes through it at least once every half hour, to have the bile and other impurities strained or filtered from it. Bile is the natural purgative of the bowels, and if the Liver becomes torpid it is not separated from the blood, but carried through the veins to all parts of the system, and in trying to escape through the pores of the skin, causes it to turn yellow or a dirty brown color. The stomach becomes diseased and Dyspepsia, Indigostion, Constipation, Headacho, Biliousness, Jaundice, Chills, Malarial Fevers, Piles, Sick and Sour Stomach, and general debility follow. MER-RELL'S HEPATINE, the great vegetable discovery for torpidity, causes the Liver to discovery for torpidity, causes the Liver to throw off from one to two ounces of bile each throw off from one to two ounces of bile each time the blood passes through it, as long as there is an excess of bile; and the effect of even a few does upon yellow complexion or a brown, dirty looking skin, will astonish all who try it—they being the first symptoms to disappear. The cure of all bilious diseases and Liver complaint is made certain by taking Hepatine in accordance with directions. Headache is generally cured in twenty minutes, and no disease that arises from the Liver can exist if a fair trial is given. Take no pills when you can get given. Take no pills when you can get Hepatine at the same price. For sale by all Druggists. PRICE 25c and \$1.

LUNGS

The fatality of Consumption or Throat and Lung Diseases, which sweep to the grave at least one third of all death's victims, arises least one third of all death's victims, arises from the Opium or Morphine treatment, which simply stupefies as the work of death goes on. \$10,000 will be paid if Opium or Morphine or Prussic Acid can be found in the Globe Flower Cough Syrup, which has cured people who are living to-day with one remaining lung. No greater wrong can be dene than to say than Consumption is incurable. The GLOBE FLOWER COUGH SYRUP will cure it when all other means have failed. Also Colds, Coughs, Asthma, Bronchitis and all diseases of the throat and the control of the Hongard Coughs, Coughs, Asthma, Bronchitis and all diseases of the throat and the coughs, and the testimonials of the Hongard Coughs, Coughs, Asthma, Bronchitis and all diseases of the though the testimonials of the Hongard Coughs, Coughs, Asthma, Bronchitis and all diseases of the though the testimonials of the Hongard Coughs and Coug lungs. Read the testimonials of the Hon. Alex. H. Stephens and others in our book free to all at the drug stores. Take no Troches or Lozenges for Sore Throat, when you can get Globe Flower Syrup at same price. For sale by all Druggists. PRICE 25c and \$1.

BLOOD

Grave mistakes are made in the treatment of all diseases that arise from poison in the blood. Not one case of Scrofula, Syphilis, White Swelling, Ulcerous Sores and Skin Disease in a thousand is treated without the use of Mercury in some form. Mercury rots the bones, and the diseases it produces are worse than any other kind of blood or skin disease can be. Doctor PEMBERTON'S STILLINGIA or QUEEN'S DELIGHT is the colly medicine upon which a bone of recovery only medicine upon which a hope of recovery from Scrofula, Syphilis and Mercurial diseases in all stages, can be reasonably founded, and that will cure Cancer. \$10,000 will be paid by the proprietors if Mercury, or any ingredient not purely vegetable and harmless can be found in it.
